

and the people of the Macedonian heritage worldwide and was instrumental in the development and growth of our Southeast Michigan Macedonian community.

Bishop Kiril played an integral role in resurrecting the Macedonian Orthodox Church—Ohrid Archbishopric, after two hundred years since its abolishment by the Ottoman Sultan, upon returning to Macedonia in 1967 after attending the Moscow Theological Academy. He was the only surviving signatory of the autocephalous declaration and a leading advocate for the establishment of an independent Republic of Macedonia.

Bishop Kiril founded both the American-Canadian and Australian Macedonian Orthodox Dioceses and served as a central administrator in each until 1987 and 1982 respectively. As a result of his steadfast leadership and resonant influence, Bishop Kiril catalyzed an international expansion of the Macedonian Orthodox faith throughout the course of his lifetime. The breadth of his legacy is confirmed in the more than fifteen cities in the world where he has been declared an honorary citizen.

Once again, I offer my deepest condolences for the passing of Bishop Kiril. His presence in the Macedonian Orthodox Church is irreplaceable and his manifold contributions to the people of Macedonia and Macedonians abroad, including in my district in Sterling Heights, Michigan, are of lasting value and cornerstone importance. I will cherish my acquaintance with Bishop Kiril, and am truly grateful for his years of service to his Macedonian Orthodox faith and people.

PERSONAL EXPLANATION

HON. CAROL SHEA-PORTER

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 13, 2013

Ms. SHEA-PORTER. Mr. Speaker, I will be absent from The House of Representatives on Thursday, June 13th, and Friday, June 14th, due to the wedding of one of my children. If I could vote, I would vote in favor of The National Defense Authorization Bill.

HONORING DARRIN D. ALLEN

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 13, 2013

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a remarkable civil servant, Mr. Darrin D. Allen.

Mr. Allen started his career in law enforcement with the Belzoni Police Department in 1997 under the administration of former Police Chief, Steve Bingham. He attended the Mississippi Delta Community College (MDCC) Law Enforcement Training Academy in Moorhead, Mississippi, in 1998. Upon completion, he worked for five years with the City of Belzoni.

In 2003, Mr. Allen moved to Clarksdale, Mississippi, and assumed a position as patrolman/SWAT with the City of Clarksdale. In 2005, he returned to Humphreys County and was employed with the Humphreys County

Sheriffs Department under the administration of former Sheriff, Wayne Holloway.

In 2008, Deputy Darrin Allen was promoted to Captain under the leadership of the current Sheriff, J.D. "Bubba" Roseman. Captain Allen has received numerous awards to include, "Officer of the Year" in 2009, for heroism during a fatal domestic confrontation in which his quick action saved the life of another upon apprehending the suspect.

Captain Allen also serves as a member of the Force Protection Unit under the direction of the Mississippi Office of Homeland Security and Special Response Team (SRT) with the North Central Narcotic Task Force. His official capacity as Captain is comprised of many responsibilities including but not limited to: performing second-level management to direct, assign and supervise subordinate officers and personnel; having the authority to give oral and written reprimands to its officers and personnel; providing assistance to the Chief Deputy in the formulation of policies and goals for the Sheriffs Department; evaluating the performance of subordinate officers/personnel and recommending appropriate action to the Chief Deputy; attends and/or conducts staff meetings along with in-house training sessions; and Supervise the development of the Departmental training program.

Captain Allen is definitely a man with a lot of heart. He shows a great deal of passion for the department and the community he works for. He is very modest when it comes to achieving merits for a profession that can be extremely demanding. Captain Allen has molded himself with the four D's: drive, determination, discipline and dedication. All of which are required in an occupation that can go from harmless to hurtful in a matter of seconds.

Captain Allen is dedicated to a job that requires him to put his life on the line daily for the citizens of our community. His family at the Humphreys County Sheriffs Department likes to call him their HERO, not for his bravery or heroics shown during the February 6, 2009 shocking incident involving the fatal death of one home-health nurse and the saving of a life of another nurse, but because of his Humane and Eminent Rationalization of Observation that took place to obscure a perpetually dangerous situation.

Mr. Speaker, I ask my colleagues to join me in recognizing Captain Darrin D. Allen for his dedication to serving others and giving back to his community.

TRIBUTE TO DR. JOSEPH S. FRANCISCO

HON. TODD ROKITA

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 13, 2013

Mr. ROKITA. Mr. Speaker, I rise today to honor Dr. Joseph S. Francisco, the William E. Moore Distinguished Professor of Earth and Atmospheric Sciences and Chemistry at Purdue University in West Lafayette, Indiana.

Dr. Francisco, who also is the associate dean of research and graduate education for the College of Science at Purdue, will be inducted into the National Academy of Science next April in recognition of his distinguished and continuing achievements in original, pioneering research. His research has revolution-

ized the understanding of chemical processes in the atmosphere and its ability to break down and remove pollutants. He solved a 40-year search for an unusual molecule essential to the atmosphere's ability to break down nitric acid, a compound that causes acid rain. He also mapped the atmospheric breakdown of chlorofluorocarbons, chemical compounds that destroy the Earth's ozone layer, and leads research into the design of environmentally benign materials to replace these compounds.

His recent work focuses on understanding the effect of water on fundamental chemical reactions in the atmosphere. Dr. Francisco discovered that clouds significantly affect levels of important atmospheric free radicals and identified a new type of chemical bonding, radical-hydrogen bonding.

Dr. Francisco is a past president of the American Chemical Society, the world's largest scientific society, and served as president of the National Organization for the Professional Advancement of Black Chemists and Chemical Engineers. He is a fellow of the American Academy of Arts & Sciences, one of the nation's oldest and most prestigious honorary societies, and is a fellow of the American Physical Society, American Association for the Advancement of Science and the American Chemical Society. He has received four honorary doctorates from other universities.

President Barack Obama appointed Dr. Francisco as a member of the President's Committee on the National Medal of Science in 2010 and reappointed him this year. This committee is responsible for evaluating nominees and selecting recipients of the National Medal of Science, the highest honor awarded by the U.S. government to scientists, engineers and innovators. He also currently serves on the National Research Council Board of Science Education. Dr. Francisco co-authored the textbook "Chemical Kinetics and Dynamics," published by Prentice-Hall, and has published more than 450 peer-reviewed publications in the fields of atmospheric chemistry, chemical kinetics, quantum chemistry, laser photochemistry and spectroscopy. He becomes only the second African-American inducted into the academy from the field of chemistry.

In light of this career accomplishment, I ask the 4th District and all Hoosiers to join me in congratulating Dr. Francisco for this great honor and achievement.

OUR UNCONSCIONABLE NATIONAL DEBT

HON. MIKE COFFMAN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 13, 2013

Mr. COFFMAN. Mr. Speaker, on January 20, 2009, the day President Obama took office, the national debt was \$10,626,877,048,913.08.

Today, it is \$16,738,704,836,178.59. We've added \$6,111,827,787,265.51 to our debt in 4 and a half years. This is \$6 trillion in debt our nation, our economy, and our children could have avoided with a balanced budget amendment.
